

Category, Category Linear lights
Article no., Article no. 5603902
Designation, Versa Linear 1200 12VDC nw
Designation

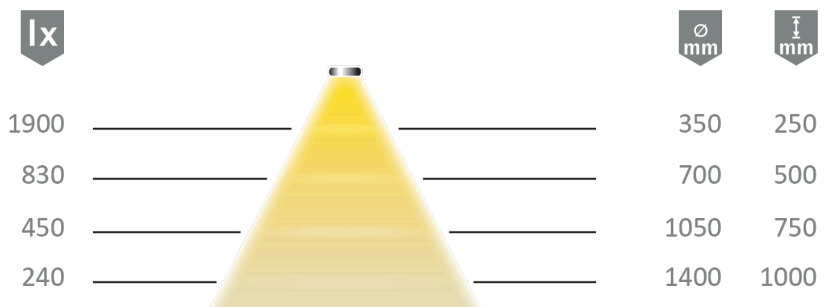

Technical Data Technical Data

Operating voltage, Operating voltage 12 Volt DC
Output, Output max.12 W/m
Energy efficiency class, Energy
efficiency class E
Dimmable, Dimmable PWM
Degree of protection, Degree of
protection IP20

Lighting parameters Lighting parameters

Light colour, Light colour NeutralWhite
Colour temperature, Colour
temperature 4.000K - 4.150K
Luminous flux, Luminous flux 1320 lm/m
Colour reproduction, Colour
reproduction >90 Ra
Half-value angle, Half-value angle 70 °

General General

Life span:, Life span: 50000 h
Kenn- und Prüfzeichen CE
